

How many gifts  
does ASSIST need  
to reach our  
2009/10  
Annual Fund Goal?

Today's Scholars. Tomorrow's Leaders.

One!

We just need yours.

To support  
students  
who need a  
lift...

...and to  
pay it  
forward by  
working  
together.

Building an Annual Fund  
is like building a pyramid.

When everyone gives to  
their capacity, it adds up to  
success.

Your gift will help  
us reach our goal  
for 2009/10:

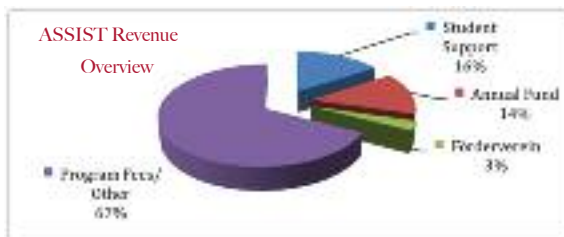

**\$200,000**

by June 30, 2010

## How does ASSIST use my gift?

### Your contribution to the ASSIST Annual Fund underwrites:

- Deserving students whose families cannot afford the program fees and personal expenses.
- The work of ASSIST around the world to promote the program, prescreen applicants, interview finalists, and prepare Scholars for their year abroad.
- The staff of ASSIST USA, who visit Scholars in the U.S., liaise with the schools and parents, and offer 24-hour support throughout the year.
- The ASSIST Orientation program, an unbelievable experience that makes a community of Scholars from many nations. **Do you remember your Orientation?**
- Our growing work with alumni around the world.

33% of ASSIST's operating budget derives from fundraising

## Why support ASSIST?

- ASSIST receives no government funding. We depend on the generosity of those who believe in and have benefited from our mission.
- The ASSIST experience positively changes the lives of our Scholars. **How have your education and career been enhanced?**
- ASSIST aims to keep program fees and costs low. We cannot balance our operating budget without generous gifts.
- We need funds to continue building our worldwide alumni network, to enable alumni to support one another and to sustain ASSIST.
- ASSIST is the finest organization of its kind in the world, and furthering this mission is worthy of your support.
- It's a circle: you benefited from those who came before you, and we encourage you to make this experience possible for those who follow you.

Today's Scholars. Tomorrow's Leaders.
